

Diagram illustrating a road intersection. The road width is marked as 800. The distance from the centerline to the edge of the road is marked as 400. A curve is shown with a radius of 100R. The diagram shows a vertical road intersecting a horizontal road. The horizontal road has a width of 800, with 400 marked on each side of the centerline. A vertical road intersects the horizontal road. A curve is shown on the horizontal road with a radius of 100R. The diagram is a technical drawing of a road intersection.
